## Introduction

Excepteur eiusmod exercitation est consequat non exercitation consequat cillum excepteur duis. Velit laborum cupidatat anim culpa sunt. Deserunt mollit tempor sit ex aute cillum culpa adipisicing culpa ut. Minim nisi amet Lorem ullamco ea incididunt ad enim minim. Est anim ipsum magna aliquip id sunt nisi laboris excepteur cupidatat amet dolore minim. Veniam proident sint qui officia ut do consequat et pariatur irure culpa anim.

## Section 1

Using tables is easy, simple markdown syntax works out of the box, for bonus marks, you can use the `: your text here` syntax to caption the tables. This syntax filters through to base LaTeX syntax, meaning it'll appear if you use the `lot` tag in YAML.
